

SINGING time SONG

Roll a Snowman

Review Game

PREPARATIONS

- Print and cut out 2 dice (you will want to use card stock)
- Before gluing or taping crease all of the lines and dotted lines
- Print the desired poster size, 8.5x11 or 11x14

HOW TO PLAY

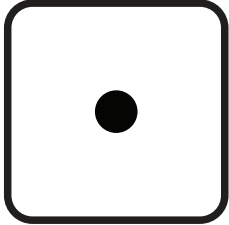

Option 1: Choose the song or songs you would like to review. Place the poster on the board. On each side of the poster draw 3 circles to form your snowman's body. Pick two children to come up to the board. While the rest of the primary is singing the 2 children at the board will try and finish their snowman before the song ends. They will continuously roll their dice drawing the body part that corresponds to the number on the dice. If they roll a 3 they add a nose, if they roll a 2 they add eyes and a mouth, if they roll a number they have already had they keep rolling until they roll a number they need. The first one to finish or come the closest to finishing their snowman before the song ends wins! You can divide your primary into 2 teams and keep track of points.

Option 2: Choose the song or songs you would like to review. This option will take a little more time than option 1. Place the poster on the board. On each side of the poster draw 3 circles to form your snowman's body. Divide your primary into 2 teams. Sing the song you are reviewing watching for super singers. Pick a child from each team to come up and roll the dice. They will draw the corresponding body part on their snowman. Sing the song again watching for 2 more super singers. Invite 2 more children to roll the dice and try to add to their snowman. If they happen to roll a number that has already been done then they don't get to add to their snowman that turn. Repeat these steps until a snowman has been completed. The first team to complete their snowman wins.

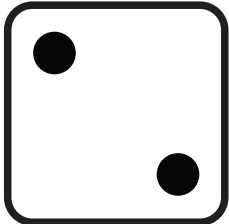

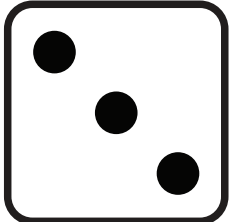

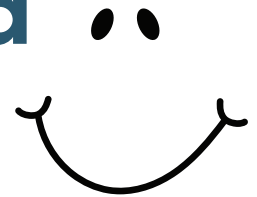

ROLL A Snowman

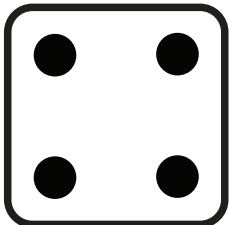

Add Arms

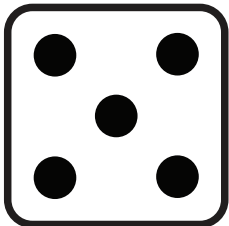

Add Eyes And a
Mouth

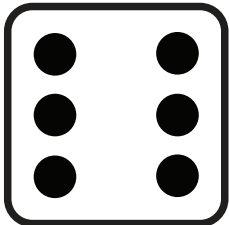

Add a Nose

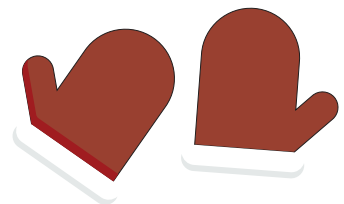

Add a Scarf

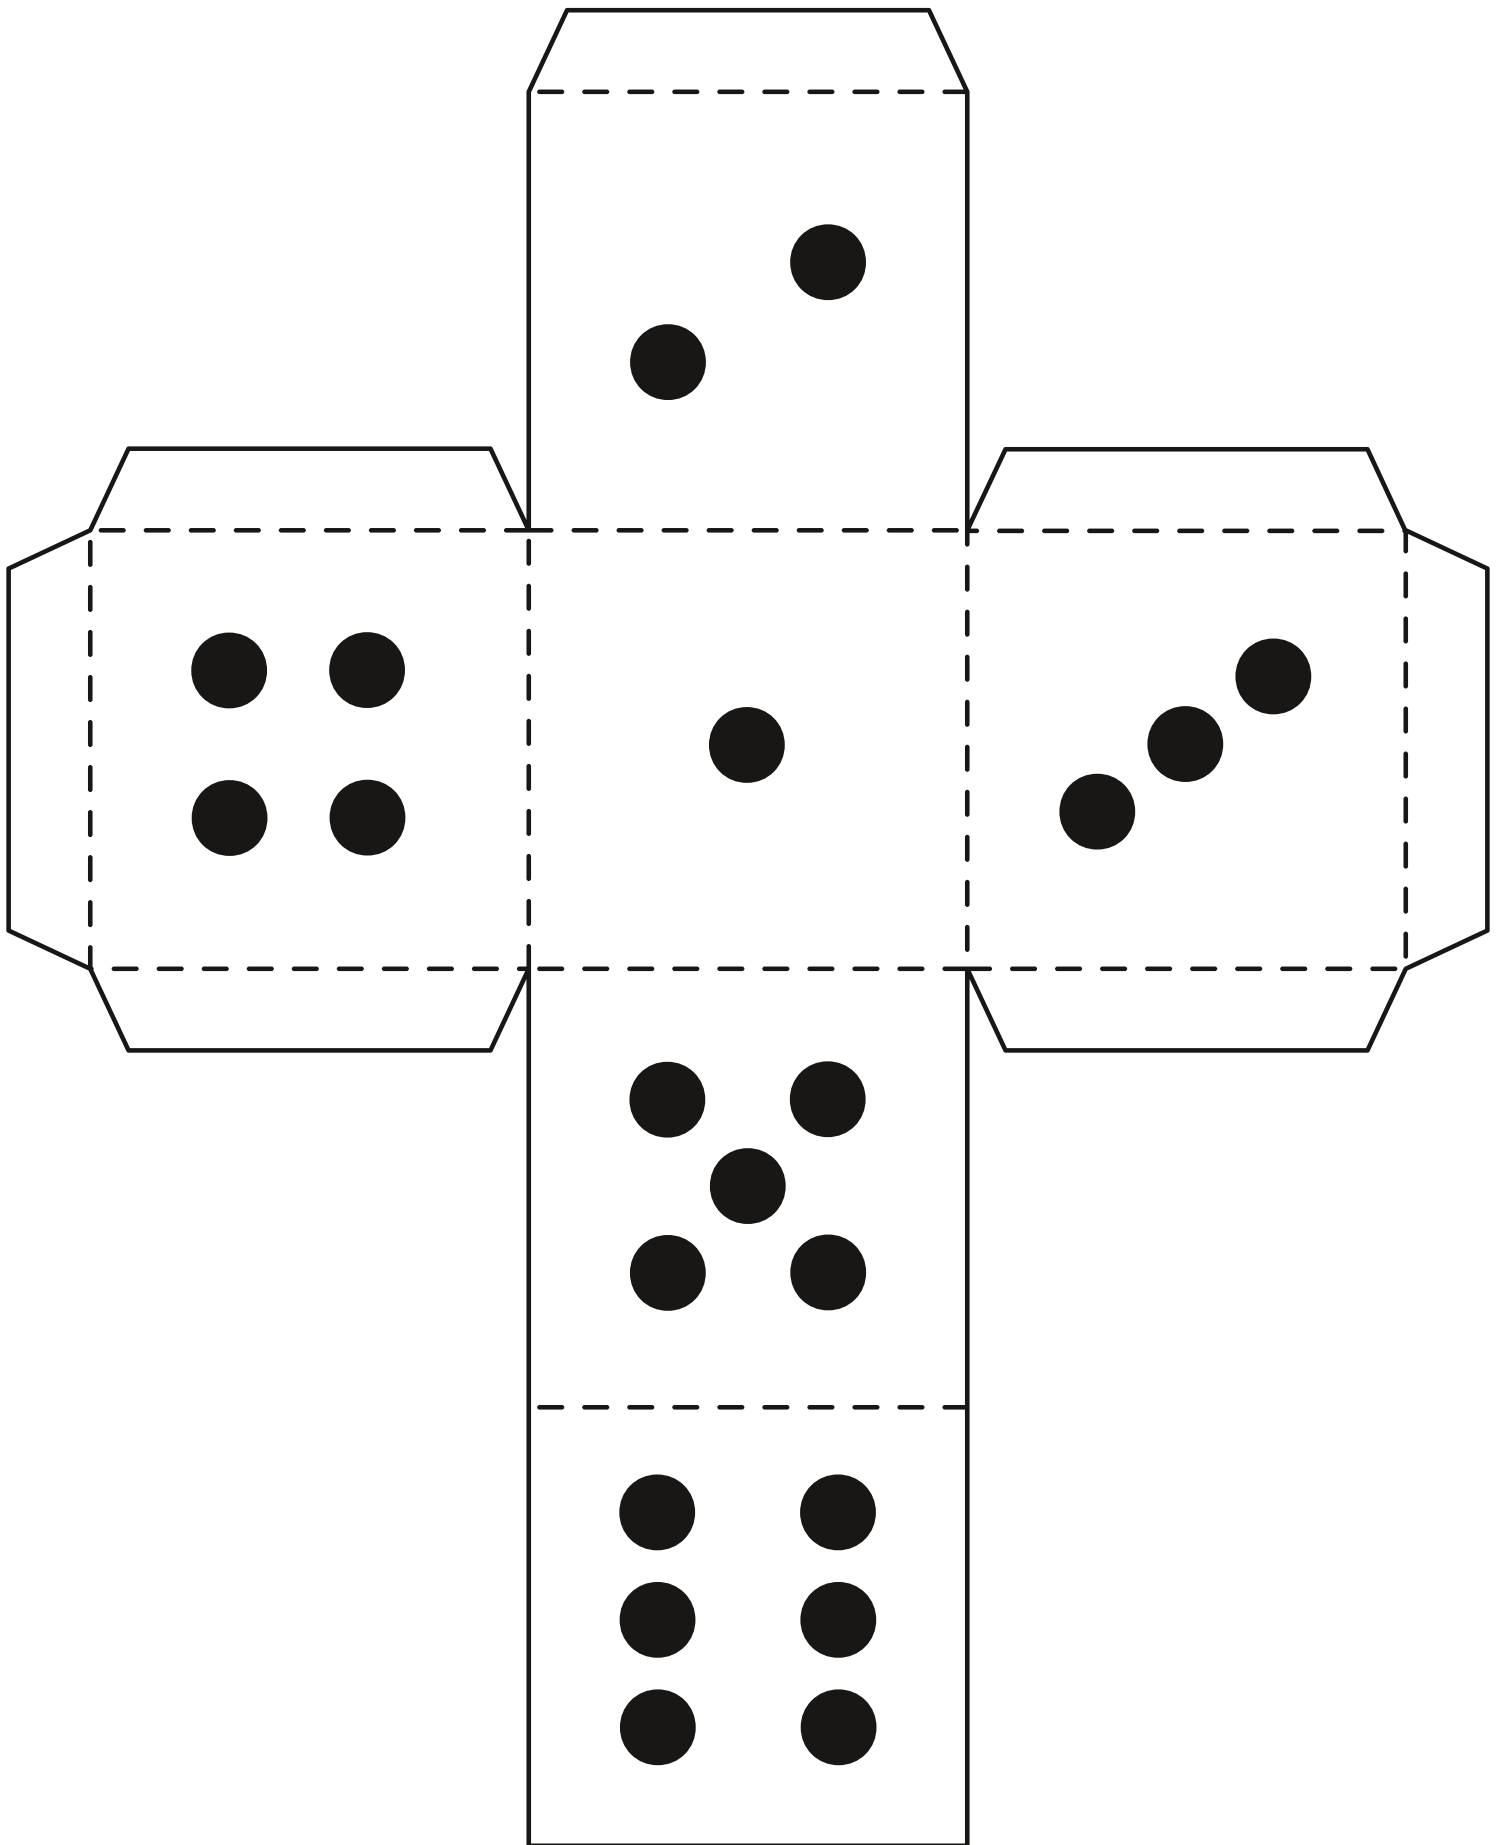

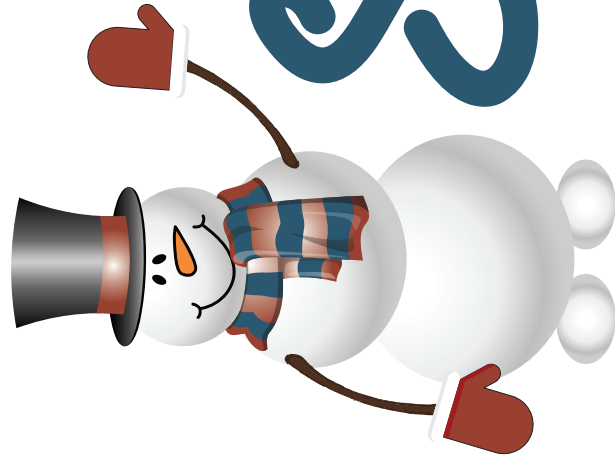

Add a Hat

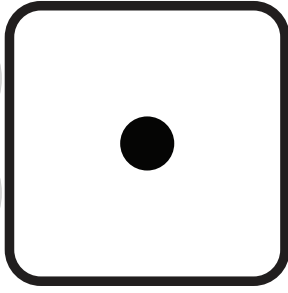

Add Mittens
